

## Japan Workshop – Getting There

**Location:** Georgia State University – Perimeter College, Dunwoody Campus (formerly Georgia Perimeter College, Dunwoody Campus)

- The campus is located approx. 18 miles Northeast of Atlanta just outside the I-285 Perimeter, three exits from I-85 (a.k.a. Spaghetti Junction) – More detailed info below.

**Address:** 2101 Womack Road, Dunwoody, GA 30338

**Contact:** Eric Kendrick, 404-717-7695 (mobile)

[MAP & DIRECTIONS](#) (link to GSU website on program flyer – Click PARKING & MAPS link) - More detailed info below.

**I-85 Closure:** Due to the interstate collapse of I-85 just north of downtown, the interstate is closed at this area. If coming from the south, DO NOT TRAVEL THROUGH DOWNTOWN ATLANTA. If so, you will be directed to very congested alternate routes. Rather, take I-285 around the city. Those coming from up I-75 can take I-675 for a more direct route to I-285.

### More Specific Directions

- From 85 Driving South – Take 285 East (toward 75 & Chattanooga) to Exit 30 (3<sup>rd</sup> Exit)
- From 285 Driving North / West (i.e. driving up 75 North from Macon and 675) – Drive through 85 intersection (Spaghetti Junction) & take Exit 30 (3<sup>rd</sup> Exit)
  - For both of the above:
    - 1<sup>st</sup> exit past Spaghetti Junction (85 & 285 intersection) is Buford Hwy
    - 2<sup>nd</sup> exit is Peachtree Industrial
    - 3<sup>rd</sup> exit – EXIT 30 – is for Dunwoody Campus
      - ✓ Exit 30 sign says North Peachtree Road / North Shallowford Road / Chamblee-Dunwoody Road -- as the access road leads to all three of them.
      - ✓ At end of exit ramp, Turn Right onto the first road: North Peachtree Rd (gas stations on both corners)
- From 75 South -- Take 285 East (toward 85 & Greenville) to Exit 30
  - As you're getting closer, you'll pass Hwy 400 and Peachtree Dunwoody Rd (Perimeter Mall).
  - After that, take Exit 30 (sign says Chamblee-Dunwoody Rd., North Shallowford Rd., North Peachtree Rd.)
    - Go straight at top of exit ramp (cross Chamblee-Dunwoody Rd)
    - Pass through North Shallowford Rd. (will pass Wendy's on right)
    - Turn Left onto North Peachtree road (will pass under 285) – headed North (gas stations on both corners)
- From 285 coming up 85 from South of Atlanta
  - Follow the same directions above from 75 / 285 intersection (near new Braves Stadium)

## FROM ALL OF THE ABOVE – ONCE YOU’RE ON NORTH PEACHTREE ROAD

- travel north approximately 1.1 miles.
- Turn left onto Tilly Mill Road (intersection with red light)
  - just after large Episcopal Church and small Anglican Church on right and county park on left
- Continue approximately 0.6 miles.
- Turn left onto Womack Road / Campus Entrance on Left
  - You’ll circle the campus, which is very short

## Sidewalk Construction

There is some sidewalk construction at the Intersection of North Peachtree and Tilly Mill (where you turn left on Tilly Mill). It was supposed to begin Friday evening, but work had started as of Thursday morning. Since less students are on campus Friday, it should have great affect (maybe an extra 5 minutes at the intersection). However, if you’re good with directions, you might consider this:

- Coming from 285 headed West – after Spaghetti Junction (85 and 285)
  - Take the 2<sup>nd</sup> exit onto Peachtree Industrial – headed North) instead of the 3<sup>rd</sup> (North Peachtree)
  - Take the 1<sup>st</sup> exit to Tilly Mill Road (it will say GA Perimeter College) and turn Left (headed west)
  - Go through the Tilly Mill / North Peachtree intersection and continue on to Dunwoody Campus as noted above (you’re still going through the sidewalk intersection, but without the left turn; also, less traffic comes from this direction).
- Coming from 285 headed East
  - Go one additional exit to Peachtree Industrial, and exit heading North
  - Follow the same directions above

## From Hotels around Perimeter Center

- Peachtree Dunwoody Road (across from mall)
  - Continue driving north on Peachtree Dunwoody (away from 285)
  - Shortly past Wal-Mart, turn Right onto Womack Road (this will take you all the way to campus)
- GA-400
  - If you’re good with map apps, you can take the back way to campus along Mt. Vernon Rd.
- Call Eric Kendrick (404-717-7695) if you need any assistance).

## Parking

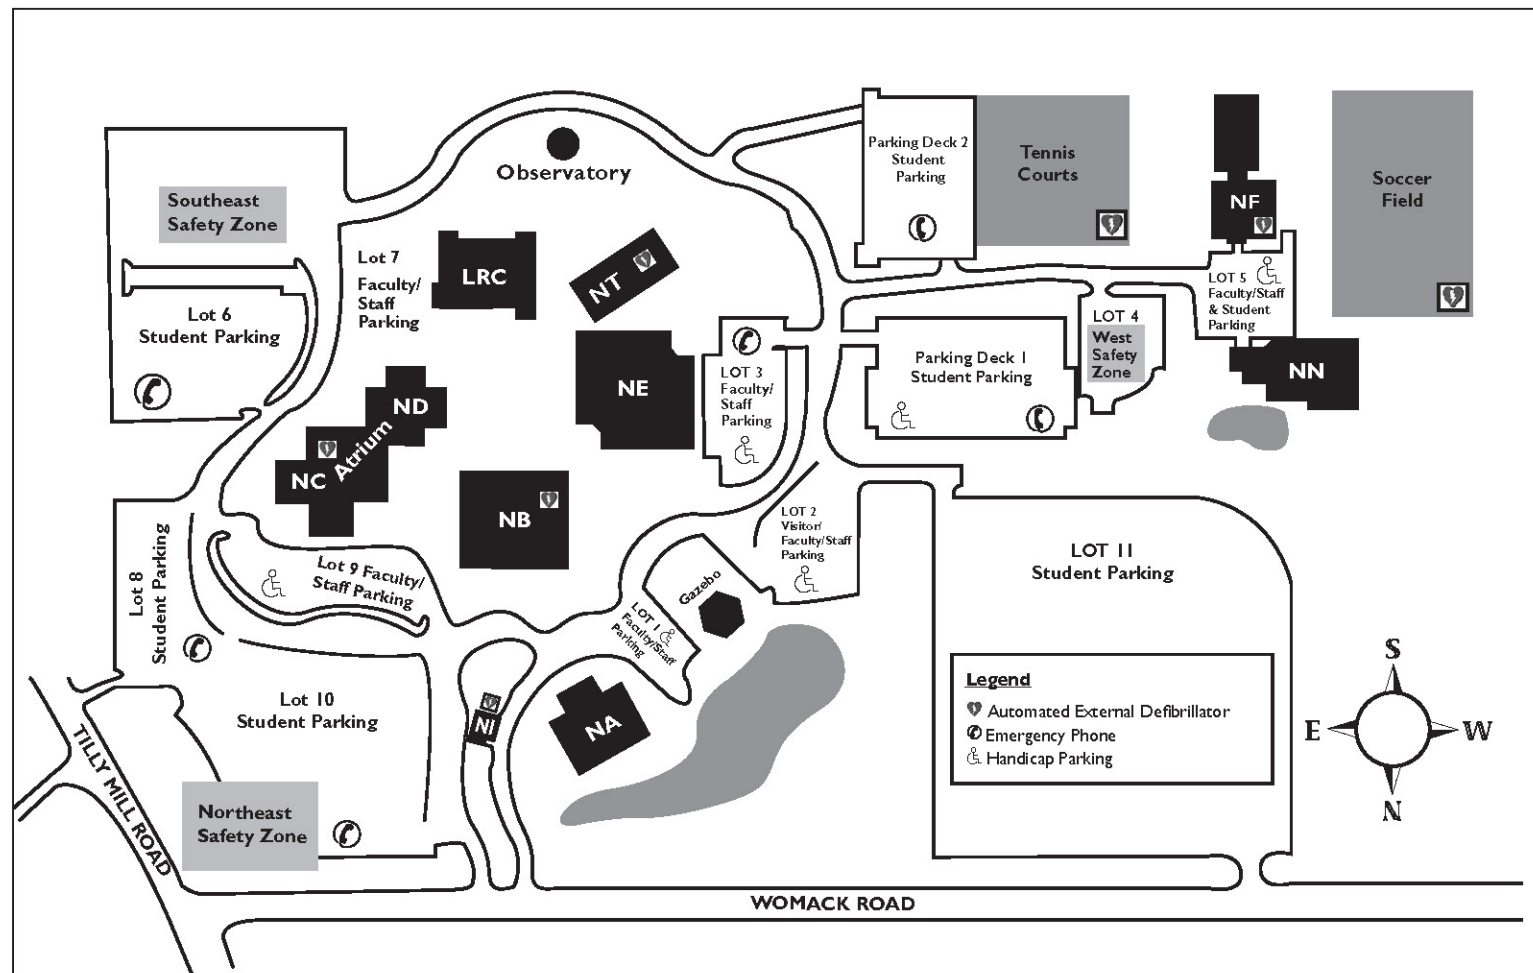

On Friday, Lot 9 (faculty/staff) directly in front of connected NC-ND buildings, may be available (small lot). If not, use adjacent Lot 8 or Lot 10, which will have space. We’ll be in the NC-ND buildings (connected)
