Membership in the EC is open to all USG colleges and universities, as well as to accredited non-System universities in the State of Georgia. Institutions appoint campus representatives to the council and these representatives coordinate council activities at their institutions. Other faculty, staff, or administrators are welcome to attend council meetings. For more information about council activities or meetings, contact the appropriate institutional representative on the [EC Campus Representative](#)\* Members list.

\*Note: The EC Campus Rep list includes several Georgia private institutions: Berry College, Brenau University, LaGrange College, and Life University.
